## **Pape Group acquires California truck dealer**

07/02/2007

Associated Press

The Pape Group announced Monday that it has acquired a California medium and heavy truck dealer, Central California Kenworth, growing the company's presence in California.

The terms of the deal were not disclosed.

The Pape Group, based in Eugene, is a major provider of equipment used in construction projects, forestry, warehousing or materials handling and private aviation in seven states.

The acquisition of Kenworth will include five of Kenworth's locations and will change the name to Pape Trucks.
